ELVELUX

KATALOG

V današnja moderna in tehnično izpopolnjena vozila je vgrajenih veliko število žarnic najrazličnejših moči, ki imajo različne oblike.

Za vse te žarnice velja eno: kvaliteta žarnic predstavlja najboljše zavarovanje za vozilo in voznika, ker le ta mnogokrat odloča o življenju in smrti.

Tega se zavedajo tako vozniki kot lastnik motornih in drugih vozil kot tudi Mecom Elementi d.o.o., Ljubljana, ki je proizvajalec in distributer žarnic in avto opreme.

Mecom Elementi d.o.o., Ljubljana, ima v svojem proizvodno prodajnem programu celotni asortiman žarnic, tako za osebne kot tovorna vozila in avtobuse.

Vse žarnice in avto oprema je vam predstavljeno v katalogu, ki ga imate v rokah.
V katalogu boste našli sistematično urejen in z slikicami opremljen kompletni program Mecom Elementi d.o.o, Ljubljana.
Prosimo vas, da katalog pazljivo proučite in prepričani smo, da boste v njem našli nekaj za vaše potrebe.

Modern and technically advanced motor-cars contain many different bulbs.
These bulbs come in many different sizes and shapes to provide light for different applications.

For all these bulbs there is only one important fact: Good quality is the best insurance for the car and the driver, as life and death often depend on them.

The drivers and the owners of motor-cars and other vehicles are very well aware of this fact as are we at Mecom Elementi d.o.o.
We are auto light bulb manufacturer, safety products and car accessories distributor.

You can find in the Mecom Elementi d.o.o catalogue the complete range of automotive bulbs from our production's and sale's program, presented to you systematically ordered and documented.

Please read this catalogue carefully and we fell sure that you can find bulbs for your needs.
Mecom Elementi produce and sale the bulbs under own brand-name ELVELUX which has existed for more than 50 years. The bulbs are made from environment friendly material and are lead free in accordance with latest RoHS requirements.

Mecom Elementi d.o.o., Ljubljana supply large companies with automotive bulbs and car accessories in Slovenia, Ex-Yugoslavia, as well as in EU and other countries.
